### COUSINS CLARIFIES EARNINGS IMPACT OF TIER TRANSACTION

ATLANTA (July 25, 2019) - Following up on its second quarter earnings conference call earlier today, Cousins Properties (NYSE: CUZ) is clarifying the earnings impact of its recent TIER merger.

Overall, the earnings impact of the TIER transaction in 2019 and beyond remains unchanged from the Company’s original expectations provided at the time the transaction was announced in March.

Please note all numbers reflect the one-for-four reverse stock split completed in conjunction with the TIER transaction.

As outlined in today’s earnings call, the TIER transaction, which closed on June 14, 2019, is expected to reduce 2019 Funds From Operations (“FFO”) by approximately \$0.06 per share, which is the mid-point of the company’s original expectation.

In 2020, the company expects the earnings impact to be less than the annualized reduction in 2019 due to the delivery and associated rent commencement of TIER development properties at The Domain in Austin. For full year 2020, the company expects the TIER transaction to reduce FFO by approximately \$0.06 to \$0.12 per share, with a mid-point of \$0.09 per share.
